

Equal Opportunities

STATEMENT

Suffolk Safety Solutions Ltd aims to be an equal opportunity employer. This policy covers all aspects of employment, from vacancy advertising, selection recruitment and training to conditions of service and reasons for termination of employment.

To ensure that this policy is operating effectively (and for no other purpose) the company/etc maintains records of employees' and applicants' racial origins, gender and disability as completed on the Equal Opportunities Monitoring Form completed upon application.

Ongoing monitoring and regular analysis of such records provide the basis for appropriate action to eliminate unlawful direct and indirect discrimination and promote equality of opportunity.

The company's long-term aim is that the composition of our workforce should reflect that of the community. Where necessary, special steps, as permitted by the relevant Acts of Parliament, will be taken to help disadvantaged and/or underrepresented groups to compete for jobs on a genuine basis of equality.

Jason Mathias as Director is responsible for the effective operation of the company's Equal Opportunities Employment Policy.

ADVERTISING VACANCIES

Wherever possible, all vacancies will be advertised simultaneously internally and externally.

Steps will be taken to ensure that knowledge of vacancies reaches underrepresented groups internally and externally.

Wherever possible, vacancies will be notified to job centres, careers offices, schools, colleges, universities, etc, with significant minority group rolls, as well as to minority press/media and organisations.

All vacancy advertisements will include an appropriate short statement on equal opportunity.

SELECTION & RECRUITMENT

Selection criteria (job description and employee specification) will be kept under constant review to ensure that they are justifiable on non-discriminatory grounds as being essential for the effective performance of the job.

Wherever possible, more than one person must be involved in the selection interview and recruitment process, and all should have received training in equal opportunities.

Wherever possible, women, minorities and disabled persons will be involved in the shortlisting and interviewing processes.

Reasons for selection and rejection of applicants for vacancies must be recorded.

TRAINING, PROMOTION & CONDITIONS OF SERVICE

Wherever possible, special training will be provided for underrepresented groups to prepare them to compete on genuinely equal terms for jobs and promotion. However, actual recruitment to all jobs will be strictly on merit.

Wherever necessary, use will be made of lawful exemptions to recruit suitably qualified people to cater for the special needs of particular groups.

Wherever possible, efforts will be made to identify and remove unnecessary/unjustifiable barriers and provide appropriate facilities and conditions of service to meet the special needs of disadvantaged and/or underrepresented groups.

PERSONNEL RECORDS

In order to ensure the effective operation of the equal opportunity policy (and for no other purpose) a record will be kept of all employees' and job applicants' gender, racial origins and disability.

Where necessary, employees will be able to check/correct their own record of these details. Otherwise, access to this information will be heavily restricted.

Such records received are kept separate and anonymous from the interview procedure. Records from applicants that are not successful are destroyed. Such records received for staff subsequently employed are used for analysis purposes only and any appropriate follow-up action taken as required.

The objectives of this policy are to:

- Ensure that Suffolk Safety Solutions Ltd has access to the widest labour market and secures the best employees for its needs.
